About the Game

Step into the courtroom in VR and interact with suspicious witnesses and questionable evidence to prove your client's innocence. Deliver your OBJECTION! face-to-face like never before!

Story

After 8 long years, Phoenix Wright makes his return as a lawyer to defend the innocent. The story starts with a bang in the middle of a badly-damaged courtroom. Along with Apollo Justice and Athena Cykes, Phoenix works to bring an end to the current "Dark Age of the Law", where the pursuit of victory trumps the pursuit of the truth.

New Features

Shout It, Point It

Fully playable with controllers, or dial up the immersion with voice-activated "OBJECTION!" and hand-tracked gestures, calling out witnesses and presenting evidence with your own hands.

Hands-On Investigation

Explore immersive 3D crime scenes from every angle and examine evidence using hand-tracking and intuitive motion controls.

Engaging Story-Driven Gameplay

Follow a gripping story filled with twists, emotional stakes, and colorful characters across multiple episodic cases.

Classic Mystery-Solving Mechanics in VR

Use logic, your unparalleled skills of observation, and deduction to spot contradictions and solve cases in a fully immersive and interactive environment.
